

# A Dream Of A Job...

Once upon a time...a woman went into a beautiful store that had a reputation for quality merchandise. She said to the owner, "Sir, I would like to work for you, and I'll do a great job. In return, I would like the following:

FIRST: For everything that I sell, I want to keep 25%-35% as my commission.

SECOND: I'll find other sharp people to sell for you, and I want to receive a big bonus for each person I find.

THIRD: I want to work my own hours so that sometimes I can work a lot, and sometimes I can take time off.

FOURTH: After I have three (3) new people working for you, I'd like the opportunity to earn the use of a van or luxury car. Also, I'd like for you to pay the insurance and licensing each year...and I'd like to be able to qualify for a new van every three years!

FIFTH: My family must always come first.

FINALLY: When I do well, I would like recognition honor, plus extra gifts like jewelry, furniture, TV's etc., and I want commission on my recruit's sales also.

Can you give me these things?"

The owner was in shock...he laughed at her and said, "You can't be serious. You're living in a **DREAM WORLD**. There isn't an opportunity like that anywhere!"

Have you ever thought of doing what I do?
